## TYPES OF PRALINES

### LUXURY

---

Our classic Luxury pralines are the essence of elegance and refined taste. Each one has a slightly larger weight, letting you fully appreciate the richness of the filling and the craftsmanship behind it. There are fewer per box, making every praline a truly special moment of indulgence -perfect as a gift and for celebrating special occasions.

### PREMIUM

---

The Premium line takes a modern approach to indulgence - slightly smaller pralines, but more of them, encouraging you to reach for another. It's the perfect choice for those who love variety and enjoy sharing sweet moments with others. More pralines per box means more opportunities to enjoy your favorite flavors every day.

### CHOCOLATE FIGURES

---

24 unique chocolate figures made from premium Belgian chocolate perfectly complement each day of Advent countdown with Chocolissimo calendars (available only in Advent calendars).
